

## **iForward 2023-24 enrollment guide**

Welcome to iForward! We are thrilled you're here.

That's why we put together this short, one-page guide. This is your cheat sheet to apply to iForward throughout the year. Switching schools can feel like a lot, and we want to make it easy.

### **To apply in the summer for a Fall start:**

Beginning July 1, the Alternative Open Enrollment Application (AOEA) form will be available on the "Apply Now" page of iForward's website.

You'll simply download the form, fill it out (it's an editable .pdf), and return it to our enrollment team along with the other required documents. From there, our enrollment team will be in touch with next steps.

### **To apply during the school year for the current year:**

Between the beginning of the school year and March 13, 2024, you'll still use the AOEA form to apply to iForward.

However, you will need to pay careful attention to the application windows posted on our site. We want your student to make the most successful transition to online learning, and so there are periods each quarter where applications are closed until the next quarter gets closer.

For example, Q1 applications will close on September 8th of this year, reopen briefly from the 18th to the 27th, and then close until we start taking Q2 applications on October 9th. At that point, your application will be processed for a 2nd quarter start. Remember, this is to help your student have a successful experience at iForward!

### **To apply during the school year for the upcoming year:**

Finally, from February to April, you will apply through the Wisconsin Department of Public Instruction for Fall 2024. All of the Apply Now links on our website will take you to exactly the right place. Applications will then be closed for May & June, picking back up in July using the AOEA application.

Still have questions? We are here to help. Use the contact info below to get in touch with our enrollment team.

## **WE CAN'T WAIT TO SEE YOU!**
